

6 TRAITS OF A SUCCESSFUL

RECRUITER

PROACTIVE

Successful recruiters are talent sourcing pros. They use inbound recruiting strategies to attract passive candidates and build talent pools.

EMPATHETIC

Successful recruiters use their empathy to build and maintain good relationships not only with current but also past and potential future candidates.

TECH SAVVY

Successful recruiters use all-in-one recruiting software to automate, fasten and improve their entire recruiting process.

SOCIAL

Successful recruiters aren't solo players. They understand the power of social recruiting and employee referrals and they utilize it extensively.

ANALYTICAL

Successful recruiters analyze data from their recruiting software to get insights which help them make better and more informed decisions.

CREATIVE

Successful recruiters are experts in Recruitment Marketing. They use innovative marketing tactics that help them attract top talent.
