

HR

Today vs. Tomorrow

we asked HR pros in companies with 1,000 employees or less to predict how their roles will change in the next five years.

Here's what they said.

My Life In 2018

My Life In 2022

I Spend Most of My Time On

Admin

Payroll & Benefits

Hiring

Strategic Thinking

Training & Development

Employee Morale

My Company Handles Performance Management

Annually

Much More Frequently

Recruiting is Primarily

Paper and Spreadsheet Driven

Data-Driven and Focused on Employees Referrals

Core HR Tasks are

A Big Part of My Daily Job

Automated and No Longer the Focus of My Day
